$13.9M+	21,600+	18 Stores / 5 Hubs	+10% OTD / +20% HC
ANNUAL DELIVERED SALES	ANNUAL DELIVERIES MANAGED	REGIONAL FLEET FOOTPRINT	EFFICIENCY & TEAM GROWTH

EXECUTIVE PROFILE & LEADERSHIP PILLARS

People-first operations and logistics leader with 15+ years of progressive experience driving multi-site fleet management, process modernization, and high-level operational support across five major industries (retail distribution, construction equipment rental, heavy civil construction, grocery supply chain, and healthcare logistics). Proven track record of translating complex operational data into scalable SOPs, headcount expansions, and kick-ass team retention.

Logistics & Fleet Operations
Multi-terminal dispatch, DOT/FMCSA compliance, route optimization, and high-volume commercial delivery execution.

Process Analytics & Systems
KPI dashboards (Power BI, Excel, SAP/ERP), custom workflow tracking, SOP authorship, and cost containment.

People-First Leadership
Structured onboarding, Individual Development Plans (IDPs), cross-functional alignment, and VP-level support.

PROFESSIONAL EXPERIENCE

Regional Driver Supervisor (Cal-Bay South) | Sherwin-Williams — APR 2024 – PRESENT

- Direct regional fleet logistics across **18 high-volume retail stores and 5 terminals**, managing **18 direct reports** to execute **21,600+ annual deliveries** driving **$13.9M in annual delivered sales**.
- Boosted regional on-time delivery performance by **10%** and built the data-backed business case to secure executive approval for a **20% headcount expansion**.
- Designed and implemented structured onboarding programs, mentorship guidelines, and **Individual Development Plans (IDPs)** that elevated driver readiness, safety compliance, and team retention.

Inside Sales Representative / Operations Support | H&E Equipment Services — MAR 2023 – APR 2024

- Engineered and deployed custom data-tracking systems to organize complex daily workflows, eliminating administrative bottlenecks and improving cross-departmental visibility.
- Coordinated commercial fleet availability, customer dispatch schedules, and rental contract administration to maximize fleet utilization and service turnaround.

Resource Manager | D-Line Constructors — SEP 2022 – FEB 2023

- Served as the strategic operational liaison between field supervision and executive leadership, aligning heavy equipment, labor, and materials across active civil construction projects.
- Streamlined field-to-office communication protocols and optimized daily resource allocation to prevent downtime and minimize overall job costs.

Dispatch Manager (Feb 2020 – Aug 2022) & Dispatcher (Apr 2017 – Feb 2020) | Goodfellow Bros. — APR 2017 – AUG 2022

- Promoted to Dispatch Manager in February 2020 overseeing regional heavy civil construction logistics, directing **4,000+ heavy equipment and material moves annually** across multi-site operations.
- Authored standardized operating procedures (SOPs) for dispatch workflows, heavy-haul permitting, and third-party vendor management while supporting VP-level operational initiatives.

Dispatcher / Scheduling Coordinator | Safeway Distribution Center — SEP 2015 – APR 2017

- Managed master workforce scheduling, shift allocation, and dispatch coordination for **400+ distribution center employees** in a high-volume 24/7 supply chain hub.
- Enforced strict adherence to union collective bargaining rules, DOT hours-of-service regulations, and time-sensitive retail delivery windows.

Senior Logistics Coordinator | Kaiser Permanente SEP 2011 – SEP 2015

- Directed healthcare supply chain coordination, critical material routing, and operational scheduling across regional medical facilities.
- Standardized internal tracking and reporting workflows to improve interdepartmental service reliability and regulatory compliance.

CORE COMPETENCIES & TECHNICAL STACK

Analytics & Systems: Power BI, Advanced Excel (Pivot Tables, Complex Modeling), SAP, ERP & TMS Platforms, Fleet Telematics, Custom Data Trackers

Operations & Logistics: Multi-Site Fleet Management, DOT / FMCSA / OSHA Compliance, SOP Authorship, Heavy Haul Permitting, Resource Allocation, Union Scheduling

Executive & Team Leadership: Individual Development Plans (IDPs), Headcount Justification, Cross-Functional Liaison, Onboarding Architecture, Change Management
