EXECUTIVE PROFILE: 15+ YEARS OF PROGRESS

FIX THE SYSTEM • EMPOWER THE TEAM

Hands-on, people-first operations and executive support leader with 15+ years of experience running high-volume logistics systems across five industries: multi-store retail delivery, heavy civil construction, equipment rental, 24/7 grocery distribution, and healthcare supply chain. Proven track record of stepping into complex operations, mapping workflows, eliminating bottlenecks, authoring first-ever SOPs, and holding delivery performance steady through organizational change. Known for building teams that stay—pairing strict DOT/FMCSA safety compliance and cost control with clear career paths, ride-along coaching, and VP-level strategic alignment.

PROFESSIONAL EXPERIENCE & OPERATIONAL CASE STUDIES

EXECUTION IN ACTION

Regional Driver Supervisor / Operations Manager — **Sherwin-Williams Paint Company**
Apr 2024 – Present | San Jose & Cal Bay Region, CA

- **Multi-Site Fleet Scope:** Direct high-volume fleet logistics, daily routing, and complex calendar operations across 18 retail stores and 5 commercial terminals with 18 direct reports, managing **$13.9M in annual delivered sales** (~21,600 deliveries/year).
- **Data-Driven Turnaround (+10% OTD):** Analyzed regional utilization data in Power BI, Tableau, and Advanced Excel to rebalance daily routes and eliminate wasted mileage, boosting On-Time Delivery by 10% and expanding coverage area without initial overhead.
- **Retention & Growth (+20% Headcount):** Reduced driver turnover through structured ride-alongs, Individual Development Plans (IDPs), and promotion readiness coaching, proving efficiency gains to secure executive approval for a 20% headcount expansion.
- **Executive Alignment & Governance:** Lead monthly strategic reviews with VPs and District Managers using custom PowerPoint KPI scorecards; oversee labor budgets, fuel tracking, DOT/FMCSA compliance (DQF, HOS, ELD), accident root-cause investigations, and end-to-end regional events.

Inside Sales Representative / Operations Support — **H&E Equipment Services** Mar 2023 – Apr 2024 | Lodi, CA

- **Central Operational Hub:** Linked District Outside Sales Reps (OSRs), branch managers, service mechanics, and commercial clients across Northern California to keep heavy earth-moving equipment deliveries and transfers on schedule.
- **Workflow & Quality Control Redesign:** Built custom data-tracking and scheduling systems to manage overlapping mobilization dates; executed upstream quality control audits on contracts and billing before errors impacted revenue; organized monthly District Management meetings.

Resource Manager — **D-Line Constructors** Sep 2022 – Feb 2023 | Oakland, CA

- **Process Assessment & SOP Authoring:** Evaluated end-to-end field and office workflows to surface bottlenecks in resource allocation and handoffs; authored and launched first-ever company SOPs and training manuals to standardize multi-team schedules and minimize job costs.

Construction Dispatch Manager (2020–2022) & Dispatcher (2017–2020) — **Goodfellow Bros.**
Apr 2017 – Aug 2022 | Livermore, CA

- **High-Stakes Heavy Civil Logistics:** Promoted in 2020 to working manager leading 5 dispatchers across **50+ active construction job sites**, overseeing full lifecycle execution for **4,000+ annual heavy equipment moves** across internal fleet and 3PL heavy-haul carriers.
- **Custom Systems & Vendor Control:** Built live dispatch boards and job-cost tracking logs for Project Managers, Superintendents, and VPs; negotiated annual trucking and crane vendor rates against strict SLAs to cut costs and protect company credit standing.
- **COVID Modernization:** Carried the dispatch operation through the pandemic by pioneering its first remote work framework, replacing tribal knowledge with digital tracking and clear accountability cadences.

Dispatcher / Operations Support — **Safeway Inc.** Sep 2015 – Apr 2017 | Tracy, CA

- **24/7 Distribution Scheduling:** Managed daily scheduling and workload distribution for **400+ transportation employees**; delivered daily KPI reports to the VP of Transportation, collaborated with Corporate Traffic on route optimization, and led regional promotional rollouts.

Senior Logistics Coordinator — **Kaiser Permanente** Sep 2011 – Sep 2015 | Livermore, CA

- **Healthcare Supply Chain & Reporting:** Acted as sole logistics point of contact across medical and administrative departments; managed master calendars for internal drivers and 3rd-party couriers, delivered executive Excel reports to VPs, and built a digital onboarding training database.
